Our steaks are cooked to order. Consuming raw or undercooked meats, poultry, seafood or eggs may increase your risk of foodborne illness. Individuals with certain health conditions may be at higher risk if these foods are consumed raw or under cooked.

Ice Cracking Lodge & Resort

Ice Cracking Lodge and Resort was established in 1934. Using timbers cut from the surrounding forests, the modern facility became a meeting and vacation paradise for people and families from all over. The lodge and resort is rich in tradition and history from prohibition to modern times.

The area is truly a Mecca of activity all year long. From families sharing the late night campfires to friends walking through the woods in search of the elusive white tailed deer. The surrounding area offers hundreds of miles of trails for hiking, snowmobiling and adventuring. You also have the option to enjoy a remote quiet and peaceful getaway.

In February of 2007, Steve and Rayna Tucker purchased Ice Cracking Lodge. Our Goal is to provide a warm and friendly environment for our guests for years to come. Steve is originally from this area and Rayna moved down here from Alaska. We have four children that are very outgoing. If you see them around just say "Hi". Please enjoy your meal here at Ice Cracking Lodge and we hope you come back soon.
